AirMist16
with LED light on top 80W
Data Sheet

General Characteristics of Evaporative Cooler, AirMist16 with LED light on top 80W.

Transform your space with our 80W evaporative cooler, designed to provide instant cooling, low energy consumption, and a modern touch thanks to its top LED light. This unit combines functionality and style, making it perfect for any residential or commercial setting.

Efficient cooling with low energy consumption, keeping you fresh without increasing your bills.

Decorative illumination that adds a modern and stylish ambiance, ideal for indoor or outdoor use.

Equipped with swivel wheels for easy transportation anywhere.

Experience cost-effective and eco-friendly cooling.

The combination of fresh air and LED lighting creates a cozy, modern atmosphere.

Easily move it to different areas such as living rooms, patios, offices, or terraces.

Intuitive controls let you adjust cooling intensity and lighting to your preferences.

Bring freshness and style to your space with this evaporative cooler. The perfect solution to stay comfortable while adding a special touch to your surroundings!

Product Applications of Evaporative Cooler, AirMist16 with LED light on top 80W.

This portable evaporative fan is perfect for a wide range of applications. It's ideal for industrial warehouses, factories, workshops, and assembly lines, providing efficient cooling in high-heat environments. In public spaces, it works well in shopping malls, outdoor events, restaurants, cafes, stadiums, and gyms. For residential use, it's great for patios, terraces, and garages. Special applications include greenhouses, construction sites, farms, hangars, large tents, and sports areas. Its versatility and powerful airflow make in the perfect solution for both indoor and outdoor cooling needs.

Warranty of Evaporative Cooler, AirMist16 with LED light on top 80W.

Manufacturer's Limited Warranty: 1 Years.
